

Lakeshore Sauna

Lakeshore sauna awaits you beside cottage A and welcomes up to 8 persons. A separate building with a private path to the lake houses the sauna, a shower, a bathroom and a recreation room.

The sauna is heated with a *HARVIA* wood-burning heating stove. Firewood is available in a shed on the terrace to the right of the entrance to the sauna. To kindle the heating stove,

- place the firewood inside in a correct way,
- open the valve on the pipe,
- open the ash drawer a crack
- and carefully set the firewood on fire.

Lakeshore sauna is available to you at extra charge: 50 euro for 3 hours. Please book the sauna in advance with the Administrator at +358 44 742-3045 (WhatsApp) or onnivillage@gmail.com.

Attention!

1. Always close the stove door tightly.
2. Keep firewood away from the heating stove to prevent it from accidentally catching fire.
3. You can find the fire extinguisher on the wall by the entrance to the sauna.
4. Parents bear sole responsibility for their children's safety in the sauna, on the pier and in the water.
5. In case of damage to the property, equipment and the building, the Tenant shall be obliged to compensate the Lessor in full for the damage caused.
6. At the time of payment for the sauna, the Tenant agrees to all the terms of use and assumes full responsibility for his/her actions and the actions of their guests.
